Description : Camfrog Video Chat allows you to join real streaming video chat rooms. Other settings for Skype competitors include privacy and security, . May 12, 2018 Camfrog Pro 6.4 APK for Android A powerful video chat application that offers high quality video and high voice communications. You can view, share, and download videos. Also, record your video calls and share them with other devices. The best part about Camfrog video chat is that you can start a video call to someone even if they aren't signed in to Camfrog. Camfrog video chat has lots of features such as live streaming, voice and video calls, screen sharing, free video calling for Skype, AIM, Facebook chat, etc. Camfrog video chat app is currently available for iOS and Android devices. This free version of Camfrog video chat supports unlimited video calling to 30 other people simultaneously. Camfrog video chat application works on PC/Mac, mobile, and tablet devices. Camfrog video chat offers top-notch user-interface, robust customer support, and a money-back guarantee. In order to record your video calls, go to the "Settings" tab and select the "Options" option. You can now start recording your video calls, save them for later, or let them auto-record. You can also chat with your friends by sending them messages, and you can see a list of available contacts on the "Friends List" tab. Camfrog video chat has a colorful, easy-to-use interface and a really easy user-interface. Camfrog video chat will take you by the hand and introduce you to the world of video chatting with its user-friendly interface. Camfrog video chat has advanced video and voice calling features such as fast calling, video calling, video and voice sharing, live streaming of video calls, etc. Video calls via Camfrog are easily done with screen sharing, thus eliminating the need for you to be in front of your computer. You can set your video calls to automatically record, and you can even set a secret nickname to protect your video calls from others. Camfrog video chat offers a lot of nice features, and it works great on the desktop, tablet, and mobile. Camfrog video chat offers a 15-day money-back guarantee, and it also offers a 1-year warranty
