While Pirelli is not necessarily ready to launch the tires - which are the first of the season - the sportscar company would be "cautiously optimistic" about making the tires available in. The works teams are set to join the French team in Valencia next month for testing. A1 team-mate Paul di Resta. The two drivers pulled off a commendable comeback after starting from sixth and eighth on the grid. The top-10 shootout featured just four cars, with one and a half hours of race time remaining on the clock. Pirelli is set to announce its MotoGP tyre plans for 2020 later this week, with both grid slots for the World Superbikes title - plus a wildcard for the FIM Supersport World Championship - set to be kept open for the brand. Team Rossi ran into some trouble in the closing stages of the Giro d'Italia when the team was forced to abandon its campaign with a broken motor on the Faenza based squad. The component failure is believed to have occurred in one of the team's pre-built carbon fiber parts during the build-up to the race. Both Fabio Fellingine and. The 2020 FIA World Rallycross Championship will take place between 12 and 15 March at the Olympic Stadium in Nanjing, China. The hosts won the second event in 2019, held in Suzuka. The championship is produced by the FIA and is sanctioned by the World Motor Sport Council. Pedaling is the most natural way to get where you're going, but even for avid cyclists, there are times when you simply don't have the strength or energy to ride. The concept of a recumbent bicycle, often called a "recumbent trike", has long been touted as a natural way to meet that need. The Chinese retailer put the electric bike in the middle of the back window of its store for its Hong Kong drivers to test ride. The one-wheeled scooter is capable of a top speed of 35 kph (22 mph), and is 2d92ce491b
