lockdown/2367106/Acrobat Reader.zip . . A: You should try to search a bit and find out why the requests to this address keep coming back from the same IP address in the last hour. Some ideas: It is possible the IP address of the server changes due to some maintenance. Someone else is running a hacked bot, that sends GET requests to the same address. Note: The following tool may help to identify the owner of an IP address: /*-----
