The film is the third installment of the Madagascar franchise, and features the voices of Ben Stiller, Jada Pinkett Smith, Liam Neeson, Hank Azaria, Chris Rock, Janeane Garofalo, David Schwimmer, Danny McBride, Rhys Darby, Keegan-Michael Key, J. K. Simmons, Rosario Dawson, Ricky Gervais, Paula Newsome, Yvette Nicole Brown, Terry Crews, and Chris Miller. The film was released by 20th Century Fox in North America on April 26, 2012, and by Universal Pictures International in other territories. It is the last installment to be made in the traditional 2D animation style, following the 2010 reboot of the franchise, Madagascar, which was the first to be animated in 3D. The film was well-received by critics, who cited its humour and creativity, as well as its performances by the main cast. Plot Madagascar 3: Europe's Most Wanted opens in a large African country. King Averta has a new problem: he is being hunted by the Black Stig. The animals of the savanna, as well as the people of the jungle, are in danger. With their help, the four main protagonists escape the clutches of the villain and travel to Europe. Averta appoints four new advisors, whom he names Cruella, Pongo, Kanga, and him. Following a short time, the heroes agree to collaborate with the Red Lion Organization, led by A.J. from the first film, to return home safely. The Lion-ants, who are in charge of transporting the four to Europe, are in need of a driver. The heroes agree to help them, and, due to their shared trust for each other, they elect themselves. There, A.J. explains that the Lion-ants were defeated by a group of environmentalists from the European Union who, after being driven out of their city, have taken refuge in the company's headquarters. To deal with the situation, they begin hunting down the heroes in order to stop them from getting home safely. In the course of their flight, the heroes notice that they are missing one of their friends, and they soon learn that a plot has been organized to blow up the airplane at the nearest airport. After defeating a large team of agents, they make it safely to the airport. They discover that A.J. and the others have a plan to neutralize the explosives,
