call me, I'm an Enroute distributor, let's talk and see what application you are going to use the CAD/CAM software piece to run Multicam for. Know - it's confidential! P. L. Elzeviris Thanks. Is this an anonymous call? Intended for registered users, so you should only deal with an authorized contact person. How can I help? If you have a real opportunity, we want to see your work through our website. If not, you can attach files to the email, we can ask you for technical specifications or a demoscene to see what the problem is. [â€¦] Write us a text: "Hi" I recently filed my

---

first patent and... [Write more!]  
Let me start with your name and the main parameters of your device, so that we can assess what you mean by your equipment, request specifications and measure the performance of your modes. You can start filling out the form right now. Depending on what the support service answers, we will look at what to offer you. We want to see real results if they are successful. We won't talk to you about programs because we won't encourage them. We will check your inbox every five minutes to make sure we are receiving new emails. If you wish,

---

we will contact you again for discussions and demonstration of our capabilities. Sincerely. Maksim, Patent Research/Product Innovation Specialists [Customer: translation by Evan] Once you submit your application, an Industrial and Patent Innovation Marketing Specialist will contact you and ask you to confirm your mailing address and your special technical and other details. He will also ask you to verify your name so that he can submit your documents. After that, you will be able to contact a professional patent lawyer to discuss all issues related to your

---

invention. Data processing will take place within one month. Please evaluate the possibility of applying your technology in various industries. This will help us analyze your technology and as a result you will be able to make your choice. Code approval You might be surprised,
