

January 4, 2008, the day before CES 2008, Warner Bros. (the only major studio still releasing movies on HD DVD and Blu-ray Disc) announced that . Warner Bros. is one of the original creators and exclusives for these formats,â€ said a product manager at Warner Bros. Richard Corley. "We look forward to showing all of these great films we've created so you can watch them too." As for the new Warner Brothers project on Blu-ray, that has yet to be seen, but the first Warner Bros. movie released on high-definition discs is currently on sale: Transformers.
