Key Features Carpe Diem Mode A dynamic, high-octane experience that will immerse players in the greatest football moments ever captured. With Carpe Diem mode, it's now up to players to celebrate their greatest moments in a way never before possible. During gameplay, a play can evolve in real-time and players can interact with the action like never before. If the player's team score a goal, the crowd will celebrate like never before; or if the player scores a decisive goal, the crowd will be shocked and amazed. Finally, if the player celebrates a great goal, the crowd will be on their feet – interacting in unison with the player in a way players and viewers have never experienced before. Goals Flow Football was always defined by its goals and this year Fifa 22 Activation Code will deliver on its promise to deliver goals that flow from play to play. In Goal Rush you and a friend are locked into a game of soccer and tasked to score. Accurate, timed goal scoring is now more exciting and rewarding than ever. The same skill is combined with a unique feature that allows your play to progress multiple times in a matter of seconds. Mega Action Now experience real-life emotions, real-life drama and real-life mistakes. The Action Pixels give the game a human sense of emotion on and off the pitch. Players will feel more connected to their game with dynamic, real-time penalty decisions, miscommunication, goal celebrations, team camaraderie and late shots on goal. FIFA Master FIFA Master will return with all the features FIFA fans love, including Career, Tournament and Pro Clubs. Players can set the skills, attributes and team roles they want to achieve in Career Mode, and immediately jump into a friendly soccer tournament and compete with their favourite club on their favourite football pitches. Need a little more time to develop? Pro Clubs will let players create a custom team made up of all of the attributes they want, before jumping into career, tournament or friendly matches. FIFA Ultimate Team FIFA Ultimate Team comes to life with over 200 cards that represent your favourite players from around the world. Play to build the ultimate team, earn rewards to boost your squad and compete in fast-paced FIFA Ultimate competitions (FUT Champions, The Journey and more). Nintendo Switch Online membership (sold separately) and Nintendo Account required for online play. Not available in

Features Key:

- New dribble moves give passing players completely new ways to move and change direction.
- FIFA 22 introduces "HyperMotion Technology," which uses motion capture data collected from 22 real-life footballers playing a complete, high-intensity football match in motion capture suits. The data collected from players movements, tackles, aerial duels and on-ball actions is used to power FIFA 22 gameplay.
- Career Mode - Live out your dreams as a manager in FIFA 22. Create the newest club in FIFA, design your kits, style your stadium, and choose whether to compete with the elite, or rise up from the lower divisions, as you manage your club to glory. Or test your skills as a player, with a more immersive Player Career mode that gives you more ways to progress, achieve, and immerse yourself in your Pro's journey through the game.

Manage and develop your own superstar player from within Ultimate Team to become the ultimate soccer legend. Put together a world-class team from the best leagues in the world, assemble a squad of the best players to play with and improve your starting XI as you dominate the competitions of five different leagues. The Journey: Celebrating FIFA – Take your FIFA experience on a journey to places and eras you've never been to before as you explore the deepest cultures and most remote territories on earth. Learn about their history, celebrate their past and prepare for their future with their most legendary athletes. Improve your gameplay – New AI-controlled players will perform tricks when the ball is played close to them, making it more realistic for real footballers. Every type of player will use new ball-handling and positioning techniques, making every match unique and exciting. A totally new game engine – Utilising an all new game engine, FIFA 22 delivers realistic player movement, the most realistic tackling in the franchise, and changes to the ball physics, making every tackle new and fun, and every slide a fluid and dynamic movement. The new engine delivers enhanced visuals, making every match look as good as it plays. Skill Shots – When a player is able to create space with one touch, as they successfully run from one side of the pitch to the other side without touch from an opponent, they are rewarded with the 'Skill Shot'. Use this to knock opponents off the ball to open up some space for a more difficult chance. Player Tactics – Player Tactics has been improved, allowing for a real-time decision-making process when using them. If the player calls for a tactical move, a decision-making circle will appear above the player, giving you the option to press a button or drag another player onto the circle. New Shot Control – You now have more control over how you play a shot. Move the mouse to move the player and flick the mouse to change the direction in which the shot is going. New Pro Controller Settings – Take a look at your Pro Controller settings and see if any of them are activated. If you find an option you think you may want to activate, simply right click to remove the setting, or hold down the button to reverse it. The PlayStation 4 Pro experience has been enhanced with dynamic 4K streaming of games on both YouTube and Twitch. GOAT EFFECT is a powerful new 4K post-processing effect. The effects of bo

FIFA is the Global Standard in Sports, with over 85 million players in over 200 countries and territories, FIFA has a dedicated fan-base that is now bigger than the NFL™. Recognised as the pinnacle of sports video gaming and EA SPORTS FIFA the Original, we are FIFA. What are the features in FIFA 22? • FIFA Ultimate Team™: All the items, superstars and legends of the beautiful game are now in your arsenal. Create the ultimate team then challenge friends in Online FUT Leagues. • All the balls: A brand new ball physics engine lets you experience the game in new ways; no longer are the control of the ball dependent on your CPU, this year the in-game ball responds in the same way that real balls do. • New ball control and free kicks: All game modes have been redesigned so that ball trajectory, height, and speed are determined by the player. This includes a new freekick system that allows players to dictate where the ball goes by adding their heroics to the ball. • VAR: New tournaments have been launched to allow you to have a much more immersive experience when watching a match. There are also brand new celebrations and player reactions when a contentious event is highlighted with Video Assistant Referee. • FIFA ULTIMATE TEAM™: For the first time in a FIFA game, FIFA ULTIMATE TEAM™ will be the hub to play all your games. With full compatibility with FIFA Ultimate Team Mobile™, FUT Club™ and FIFA Minis, Ultimate Team™ will be central to the Ultimate Team experience for the PC, tablet, and smartphone. • A new campaign: The Campaign mode features a new story mode, all new rivalries, and new difficulty levels that follow the Professional cycle of the game. All this, alongside brand new features in the following game modes; FIFA Classic: Played just the way you remember with hundreds of new content with the return of classic feature sets; Ultimate Team, Career Mode, & FUT Champions. (v2.0) FIFA Leagues: New face your squad against opponents from over 40 different countries in five new competitions. (v2.0) FIFA Online Seasons: Play competitive matches at the start of a new or extended season, challenging for playoff positions and dream of dominating at the top.
