## System Requirements For MP3 List:

To play Ragnarok Odyssey, you will need an iPhone or iPod touch (iOS 3.1 or newer), an Apple TV, or a Windows PC running iTunes 8.2.1 or newer. (Because we created these games to be played on Apple TV, the device doesn't need to be connected to the same Wi-Fi network as your computer to play the game.) We recommend using the settings below to help ensure the best performance on your device. Locations: Note: The iPhone may take a few minutes to find a location, and for
