Daniel Radcliffe has his Harry Potter fans covered in this compilation of Harry Potter moments. The British actor played the role of the young wizard in the fantasy series for six films, with his younger counterpart Daniel Radcliffe now famously battling for second place in the Forbes Celebrity 100 list, the publishing firm revealed today. "It's the most important thing that has ever happened to me and I have absolutely no regrets, no matter what I am doing," he said of playing the role. "I started off loving the books and then I got more and more into it, and it was only as I became more and more immersed in the thing that it felt like I was immersed in it. "I got an older person's perspective on how some of it would have played out, and when you're a 19-year-old boy whose soul is being crushed by a woman who may not even be his real mother, you see it from a different angle." Harry Potter filmography The actor - who has spent most of his life under the public spotlight since his first film as a child actor in 2002's Harry Potter and the Philosopher's Stone - has praised the influence the books have had on his life. "I think that the books have really shown a lot of people what a fantastic job Rowling has done as a writer," he said. "I would argue that the books have changed the world and nobody is going to read them without [Harry Potter] being in it. It's created a really big interest in fantasy novels and especially fantasy films." Daniel has attended the premieres of all six Harry Potter films but was unable to attend a Glastonbury afterparty in 2005 for The Order of the Phoenix. He told the BBC he was too nervous to go as
