The New Black Nanny Pimping Daddy Rachel Bloome is a twenty-something nanny who has done many

things to support herself, but now she is changing it all up and placing a small business venture in her hands, Baby Boomer Nanny Agency. Rachel's specialties are dealing with the unique issues of raising the fatherless child. However, she is also dealing with her personal affair with the nanny that her husband hired to breastfeed the children for their family. Meet Rachel and the other women that she is trying to help... After the children have gone to bed, Rachel and her husband return to their bedroom. Rachel is horny and cannot wait for the night to be over so she can make love to her husband. She caresses him and asks him to keep one thing going. She wants him to stay rock hard and ready to get his wife pregnant. He says he can do that for her and she replies, "Good, because I need you big and hard tonight." Knowing he isn't in the mood, she tells him he is going to have to see her pregnant, all over, before he can get in the mood. That is something he has to see. He feels awkward about this and it takes some convincing to get him to go with her plan. Rachel shows up at her husband's home and goes straight to the bedroom. She puts on the sexy underwear and lacy bra that she has 595f342e71
