Compilers and processors", in Stephen Fink, ed, Handbook of. Structured is for C++ programmers,.. Code for data structure and algorithm programming, free downloadÂ .One more to go! (Besides the day after the day after the day...) I'm still not feeling great about this whole trip thing. (And, natch, I am spending most of the day reading books, cooking, and yanking my hair out in frustration because so many things aren't going as planned and I am feeling decidedly irrelevant.) It's too hot to be on the beach...and we're mostly on the road again (which means "I'm tired and cranky and not feeling like myself and, therefore, my state is contagious and those around me are feeling it too.") Which is all to say: I am feeling
